PROFESSIONAL SUMMARY

Dynamic Full-Stack Web Developer and MCA student specializing in Java (Spring Boot) and the JavaScript ecosystem (Node.js, Express.js). Experienced in bridging the gap between responsive user interfaces and scalable server-side systems. Competent in building RESTful APIs, managing cloud databases, and orchestrating full-cycle deployments on Vercel and Render. Adept at creating seamless user experiences supported by robust, high-performance backend infrastructure.

TECHNICAL SKILLS

Languages: Java, JavaScript, Python, HTML5, CSS3

Backend: Node.js, Express.js, Spring Boot, REST APIs

Database: MongoDB, Mongoose, MySQL

Tools: Git, GitHub, VS Code, MongoDB Compass, Thunder Client

Deployment: Vercel, Render

EXPERIENCE

Quillance Infotech Pvt. Ltd. | Full Stack Development Intern | 3 August 2026 – 3 October 2026

- Participated in structured full-stack development training sessions and technical classes covering web development concepts and practical implementation.
- Applied learned concepts through hands-on development of a Learning Management System (LMS), working with Node.js, Express.js, MongoDB/Mongoose, and REST APIs

PROJECTS

1. Learning Management System (LMS) | Node.js, Express.js, MongoDB

- Developed Student and Admin workflows for courses, enrollments, learning modules, assignments, submissions, and progress tracking.
- Implemented JWT authentication, role-based access control, and backend validation.

2. TaskFlow – Task Management Application | JavaScript, Node.js, Express.js, MongoDB Atlas

- Built task CRUD workflows with priorities, due dates, categories, status updates, and dashboard counters.
- Implemented JWT-protected APIs, user-specific task access, and search/filter features.

3. MedSphere – Hospital Management System | Java, Spring Boot, Spring Security, MySQL/MariaDB

- Developed workflows for patient, doctor, department, appointment, consultation, and prescription management.
- Used Spring MVC, Spring Data JPA/Hibernate, Thymeleaf, and role-based authorization.

EDUCATION

Master of Computer Applications (MCA) | Sept 2025 - July 2027(Expected)

Nutan Maharashtra Institute of Technology & Management, Pune, Maharashtra

Bachelor of Computer Applications (BCA) | CGPA: 8.5 | June 2022 – June 2025

S.S.B.E. 'S Institute of Technology and Management, Nanded, Maharashtra

CERTIFICATIONS AND ACHIEVEMENTS

IBM Skills Build – Web Development Fundamentals

TCS iON – Presentation Skills
